

# KIDS WATER FUN SESSION!

There's nothing better on a summer's day than messing about in boats!

Join us on the river for a morning or afternoon splashing about in kayaks on the beautiful River Medway! Fun, games and a lot of getting wet will make this the Summer Holiday activity the kids tell their friends about when they get back to school! Run by our friendly and fully-qualified coaches, we'll ensure that the kids have a fantastic but safe time on the river.
