

Hi Everybody,

It is that time of year again when club membership fees are due, 1st April 22. With everything going up at present some good news, our membership fees and boats storage are remaining the same as last year as follows:-

If you do not intend to join us again this year we are sorry to lose you but hope you enjoyed your time with the club and wish you well in the future, you are always welcome to come back. If you will be leaving could you drop me an email to let me know please, thanks.

If you do intend to renew then it would be appreciated if you could pay fees before 1st May 2022 please. If you have a standing order for the full amount then no need to do anything, I will know you have renewed when that payment is made. If you were paying a reduce amount per month then could you increase this please to the amounts shown above. Bank transfer of standing order is preferred but a cheque or cash is still acceptable.

If you have any question please get back to me.

Many thanks
